22	0300CST							

Thunderstorms with heavy rain developed and moved across rainsoaked areas overnight. Ponding of water on roadways and flooded drainage ditches were reported in Putnam County. From midnight to 3 AM a swath of 2 inch rainfall with isolated 3 inch amounts fell across Southern Rock Island, central Henry, Southern Bureau and most of Putnam Counties.

IOWA, East Central and Southeast

Washington County Countywide

09	1644CST 1830CST			0	0			Urban/Sml Stream Fld
----	--------------------	--	--	---	---	--	--	----------------------

A ten mile wide band of slow moving thunderstorms dumped 1.5 to 2.5 inches of rain over central and southern sections of Washington County. West of Crawfordsville, near the junction of the east and west branches of Crooked Creek, rainfall was estimated at 3 inches. Streets and ditches in and around the city of Washington were flooded.
